NOTIFICATION GUIDE

As an event planner, you are responsible for notifying the neighbors and businesses in the surrounding area of your event. The City recommends notifying as many businesses and residents around the event site as possible as early as possible. You should discuss your plan for notification with the Special Event Coordinator at the time you submit your permit application.

For events with over 500 attendees or more than 100 pre-registered participants expected (and for any event in downtown Kinston), a written notification plan must be submitted at least 50 days before the event. See the Create a Notification Plan section below for more information.

Use the Street Closure Notification Form and Signature Sheets to document how you carry out your plan. These forms must be submitted to the Special Event Coordinator at least 30 days prior to your event.

CREATE A NOTIFICATON PLAN

The Special Event Coordinator can help you determine if a written notification plan is required for your event. Your notification plan does not have to be elaborate, but it should clearly answer the following questions:

- 1. What is your plan for providing direct notification to affected residents and business?**
- 2. What mailings, fliers, signs, or other materials will you use to provide notice?**
- 3. How will you publicize your event?**
- 4. What is your timeline for notification?**

WHAT TO INCLUDE IN NOTIFICATION TO AFFECTED RESIDENTS & BUSINESSES

- Name of event**
- Name of sponsoring organization(s), if applicable**
- Date and timeframe of event**
- Description of associated street closures**
- Description of event and timeline for noise impacts of event, such as music or fireworks**
- Name and contact information of event organizer (including a phone number and email address)**
- Website associated with event , if applicable**

WHO TO NOTIFY

Affected Residents and Businesses

At a minimum, you should provide direct notification (typically door-to-door visits) to:

- **Residents and businesses on and adjacent to a proposed temporary street closure**
- **Residents and businesses who may be seriously impacted by the temporary street closure (especially those whose primary access to their property is affected by the closure)**

Please provide a list of residents and businesses that have been contacted regarding your special event (Sheet attached)
